

Ideas to think about

1. What is your job?
2. Are you most likely rich or poor?
3. What do you need money for?
4. Would you make more money or less money if the other companies had the machines that could string bags?
5. Do you think the Golden Belt Manufacturing Company should share the stringing machines? Why or why not?
6. What can you say that could make the other people think the same way you do?
