

## **Electoral Vote Pamphlet Instructions**

The Electoral College and the electoral vote can be confusing, even for adults, so you will create a pamphlet to help them out! You may use drawings or diagrams to help explain the information.

Your pamphlet must include the following terms. Be sure to clearly explain what the Electoral College is and how it works!

1. Electoral college
2. Electoral votes (what they are, how many there are, and how many are needed to win)
3. Electors
4. President
5. Vice President
6. Democrat
7. Republican
8. US Senate
9. House of Representatives

Things to consider:

1. How many electoral votes does your state have?
2. When is Election Day?
3. Who is running for president this year?
